Métodos Computacionales - Taller 5

Julián Leandro Rodríguez Cardona - 201416065

Métodos de Monte Carlo

Se presentan los resultados.

1. Canales iónicos

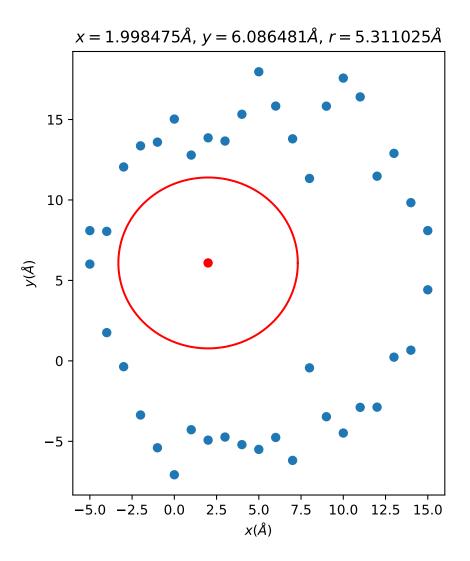

Figura 1: Circulo de máximo radio en el canal del archivo Çanal_ionico.txt".

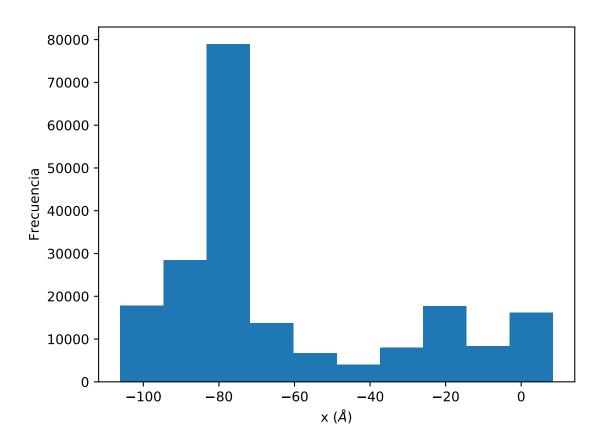

Figura 2: Histograma de la coordenada \mathbf{x} .

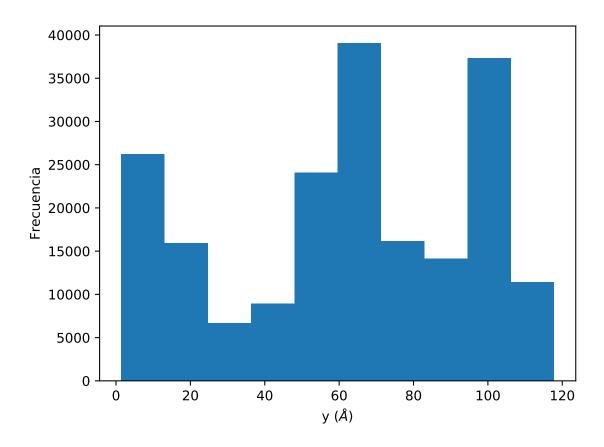

Figura 3: Histograma de la coordenada y.

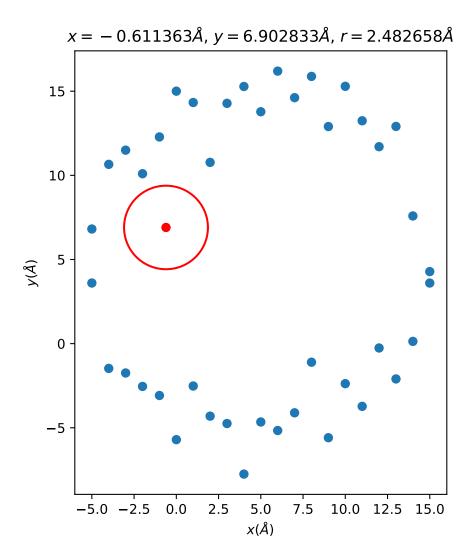

Figura 4: Circulo de máximo radio en el canal del archivo Çanal_ionico1.txt".

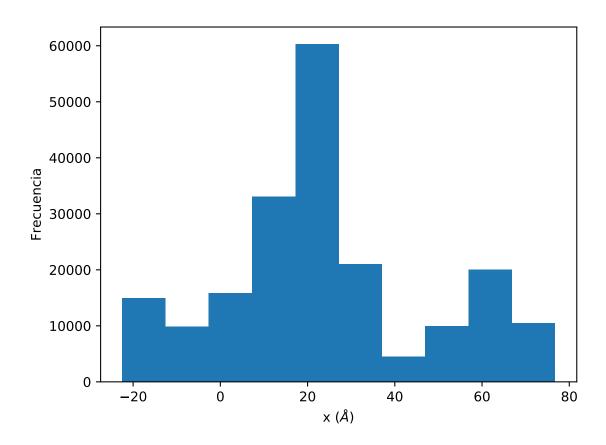

Figura 5: Histograma de la coordenada x.

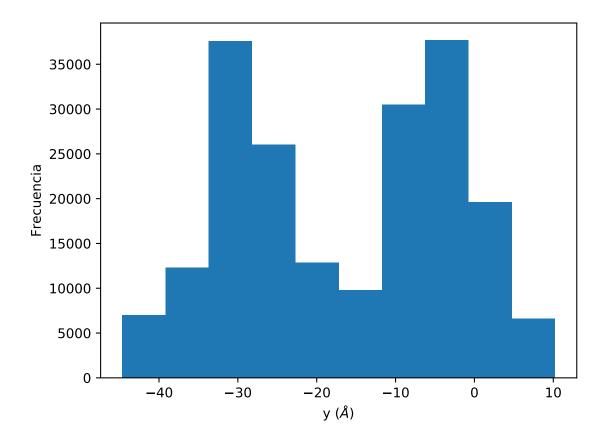

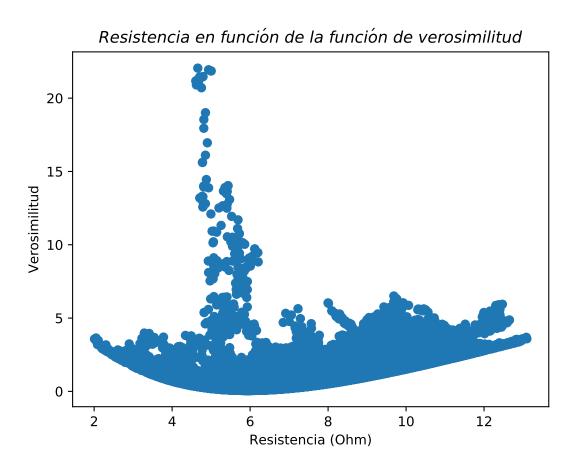

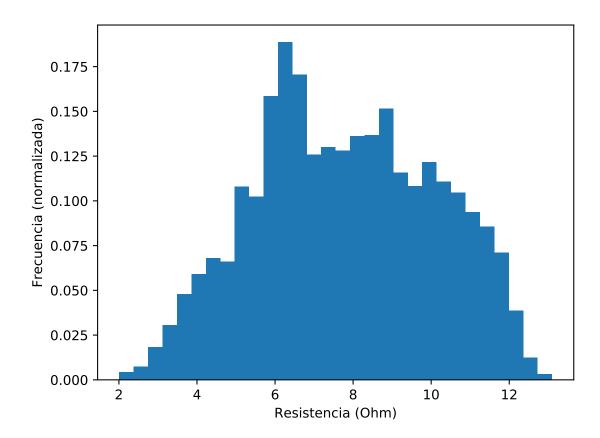

Figura 6: Histograma de la coordenada y.

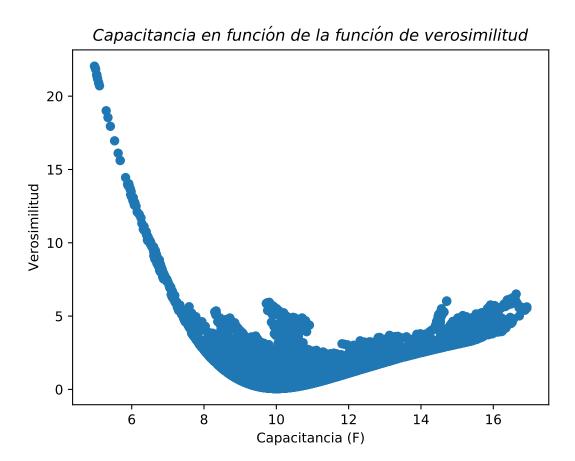

2. Circuito RC

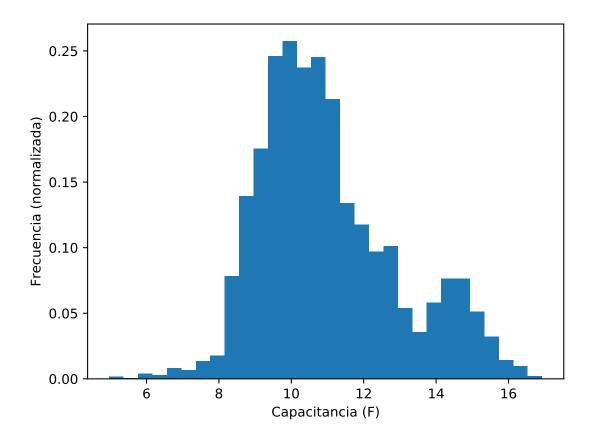

Resistencia

2.1. Capacitancia

Carga en función del tiempo
